14. The Council urged all Contributing Participants to continue to undertake efforts to deliver on their pledges.

15. The Council agreed to the continuation of the approach it recommended in November 2012, whereby programming would be undertaken for the remainder of GEF-5 maintaining the balance among the original allocations in the GEF-5 replenishment decision, assisting least developed countries (LDCs) and small island developing states (SIDS) in accessing resources,

and supporting core obligations to the conventions for which the GEF is a or the financial mechanism.

- (a) \$19.575 million for the GEF Secretariat, which includes:
 - (i) \$18.525 million for its core administrative budget;
 - (ii) \$0.300 million for a special initiative to support the sixth replenishment negotiations; and
 - (iii) \$0.750 million for planning of the Fifth GEF Assembly.
- (b) \$2.311 million for the STAP; and
- (c) \$3.540 million for the Trustee, which includes:
 - (i) \$3.216 million for its core budget; and
 - (ii) \$0.324 million for a special initiative to support the sixth replenishment negotiations.

35. The Council requested the Secretariat to propose at its November 2013 meeting a supplemental budget to cover the full costs of the Fifth GEF Assembly.

36. The Council also approved a total FY14 administrative budget for the Nagoya Protocol Implementation Fund (NPIF) of \$382,300, comprised of the following allocations from the NPIF to cover the Secretariat's and Trustee's expenses for NPIF administration and implementation:

(a) \$342,000 for the GEF Secretariat; and

(b) \$40,300 for the Trustee;

37. In addition, under agenda item 16, the Council, having reviewed document GEF/ME/C.44/02, *Work Program and Budget of the GEF Evaluation Office*, had approved a FY14 budget of \$4.180 million for the Evaluation Office, comprising \$3.280 million for its annual budget and \$0.900 million to support multi-annual evaluations.

38. The Council requested the Secretariat, in consultation with the GEF entities, to present a combined FY15 corporate budget and business plan covering the FY15-18 period for discussion at its spring 2014 meeting. Decision on Agenda Item 16

Work Program and Budget of the GEF Evaluation Office

39. The Council, having reviewed document GEF/ME/C.44/02, *Work Program and Budget of the GEF Evaluation Office*, approved the annual budget for the Evaluation Office for fiscal year 2014 for a total of US\$ 3.28 million. The multi-annual budget for the evaluation program of the GEF Evaluation Office is approved for an amount of US\$ 0.90 million for evaluations carried out in fiscal year 2014 and commitments for evaluations continuing on into fiscal year 2015. The total amount approved for the GEF Evaluation Office is US\$ 4.18 million, which is \$ 1.56 million lower than in fiscal year 2013, when a peak in funding was caused by OPS5 and the two mid-term evaluations that the Office is undertaking.

40. Given the recent obstacles that the Evaluation Office has faced in accessing ongoing and completed GEF funded projects, the Council notes that several GEF Agencies are now incorporating legal requirements in contractual arrangements that such access should be granted as fully and quickly as feasible, recognizing the independence of the Office and without restrictions. The Council requested the Evaluation Office to interact with the GEF Agencies on this issue and report back to the Council in its next Work Program and Budget whether access has been ensured for all GEF funded projects.

41. The Council requested the Evaluation Office to prepare proposals for the replenishment negotiations for the GEF-6 phase to ensure that the operational nature of its budget is recognized and decided outside the administrative budget of the GEF, to come in line with best international practice. It notes with interest that a peer review will take place of the evaluation function in the GEF in early 2014 and looks forward to receive the findings and recommendations at its June 2014 meeting.

Decision on Agenda Item 17

Report of the Selection and Review Committee

42. The Council, having reviewed GEF/C.44/10, *Report of the Selection and Review Committee*, and taking note of the GEF CEO Self-Assessment for FY13 expressed their high satisfaction with performance and achievements of the GEF CEO during her first 10 months tenure, and agreed to:

(i) Confirm the appointment of the GEF CEO and Chairperson for the remainder of her term as per World Bank Group's staff policies, and request the SRC Chair to communicate this decision to the World Bank Human Resources;

(ii) Provide the GEF CEO and Chairperson with a 4% salary increase as allocated on confirmation of appointment, and request the SRC Chair to communicate this decision to the World Bank Human Resources.

43. Further, the Council, taking note that the term of the current Director of the Evaluation Office will be expiring on September 11, 2014, and with a view to launch the search process for the new Director agreed to request the SRC to:

(i) Present draft terms of reference for the Director of the Evaluation Office for approval by Council at the November 2013 Council meeting;
